January 20, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for Creekside Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact myself, Lawrence Pumford for assistance.

The AER is available for you to review electronically by visiting the following web site <http://creekside.hartlandschools.us>, or you may review a copy in the main office at your child's school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

**Creekside Elementary School was identified as a Reward School, achieving a 96 percentile designation in the Top to Bottom Rankings.**

Our students made significant advances in all measures of the M-STEP assessments in the 2015-16 school year, and most significantly in mathematics. Efforts to align and implement our curriculum with the new state standards produced greater student proficiency on the math portion of the M-STEP. We will continue to refine our alignment and delivery of our math and language arts curriculum as we move forward. The gap between our high performing students and our low performing students continues to be a challenge for our school. We are addressing this problem by increasing the support provided to our bottom 30 students. We have moved our Reading Recovery to the full implementation, up from partial implementation from the previous year. Our RTI efforts will continue to improve through increased training and exposure for our Instructional Consultation Team. Our literacy intervention PLC's will also support our at risk students. Ongoing PLC work will also help us close the gap and move our school forward.

## Hartland Consolidated Schools

The following information illustrates how our students performed on the M-STEP assessment. The M-STEP was administered in spring of 2015 and 2016 to our 3<sup>rd</sup> and 4<sup>th</sup> grade students and is representative of the success of our kindergarten through 4<sup>th</sup> grade instructional program.

	2014-15		2015-16	
<b>3<sup>rd</sup> Grade</b>	State	Creekside	State	Creekside
English Language Arts	50	62	46	71
Mathematics	49	42	45	67
<b>4<sup>th</sup> Grade</b>				
English Language Arts	47	62	46	72
Mathematics	41	48	44	57
Science	12	33	15	33

Hartland Consolidated school district assigns students to a school based on where they live within the district boundaries. School of choice students are placed by the Assistant Superintendent of Student Services and Personnel based on available openings in each building.

The state of Michigan core standards and benchmarks can be found by following the link located on the Hartland Consolidated Schools website <http://www.hartlandschools.us/Departments/Curriculum/index.html>. Specific questions about the core curriculum can be directed to the district curriculum director or building principal.

Parent/Teacher Conferences at Creekside Elementary School have always been extremely well-attended. During the 2015-16 school year, 99% of our families conferred with teachers.

I would like to congratulate the students, staff and parents for their dedication to our goal of creating lifelong learners. Our school vision of "Working Together to Grow Young Minds" will guide us as we continue to make student achievement our top priority.

Sincerely,

Lawrence Pumford  
Principal  
Creekside Elementary
